"I would like to thank all those who entered the competition, to those companies who kindly provided sponsorship, and to the judges who had the unenviable task of viewing many fields and making some difficult decisions. Special thanks must go to my joint steward Arthur Reynolds. The standard of entries was once again high, and although there have been some long days viewing all the crops, it has been hugely enjoyable!

The Maize has been judged twice and the results for these are not included here as they were not complete when going to print due to the lateness of the crops. The results of these classes will be on display in the secretary's tent on ploughing match day alongside the First and Second placed seed samples from the classes above and at the Ashford Cattle Show on 28th and 29th November 2015"

— Will Thompson, Chief-Steward
